Commissioner for Patents  
Attn: Dennis Ruhl, Primary Examiner  
P.O. Box 1450  
Alexandria, VA 22313

Ref: Application No. 10/759,834, reply to office action,  
Extension of time request.

Mr. Ruhl:

First, I would like to thank you for providing copies  
of all references used in the office action dated  
Sept. 10th, 2007.

Second, as you can see by my return mailing address  
I am in State prison. I am currently being transferred  
to another institution and the address I've listed will  
be invalid. As soon as I am relocated I will  
advise, in writing, the USPTO.

Third, I request an extension of time to reply to  
the issues you have raised about my claims and  
prior art. I request the maximum amount of time  
available under 37 CFR 1.134(a). If the extension is not  
fixed, I request 24 months to amend and clarify my  
claims made in the above cited application. As I  
understand the rule I am only allowed 6 months,  
at most, to reply. However, if I am wrong I  
request 24 months to amend and clarify.
